

# Health Insurance for Everyone!

Finally everyone in DC can get the health coverage they need.

- There is help to pay for the cost of your health insurance.
- No one can be turned down or charged more because of a pre-existing condition.
- Essential health benefits and preventive care are covered.

## Need help enrolling?

## Your plan for affordable health coverage

DC Health Link is a new online marketplace where you can shop for the health insurance that best meets your needs and budget.

### You may qualify for:

- private health insurance
- financial help to lower your costs, or
- Medicaid

## Stay healthy and get the care you need

All new private insurance policies sold in 2014 must cover an essential health benefit package that includes:

- Doctor visits
- Hospital stays
- Emergency room care
- Maternity and newborn care
- Prescription drug
- Lab tests
- Rehabilitative and habilitative services
- Chronic disease management
- Mental health care
- Dental & vision care for children
