To establish additional Qualified Health Plan (QHP) certification standards to promote benefit standardization in the District of Columbia Health Benefit Exchange.

WHEREAS, the Health Benefit Exchange Authority Establishment Act of 2011, effective March 4, 2012 (D.C. Law 19-94; D.C. Official Code § 31-3171.01 *et seq.*) (“Act”) created the District of Columbia Health Benefit Exchange Authority (“Authority”), an independent authority of the Government of the District of Columbia, and its governing Executive Board;

WHEREAS, §1311(c)(1)(A) of the Affordable Care Act of 2010 (“ACA”) (P.L. 111-148 & P.L. 111-152) establishes non-prejudicial benefit design as a minimum certification standard for Qualified Health Plans (QHPs) offering coverage on American Health Benefit Exchanges;

WHEREAS, §1301(a)(1)(C)(ii) of the ACA requires QHP issuers to offer one silver-level and one gold-level plan at a minimum;

WHEREAS, 45 C.F.R. §155.1000(c) allows state exchanges to limit certification to those plans that it finds are in the best interest of qualified individuals and employers and 45 C.F.R. §156.200(d) allows state exchanges to require additional certification requirements beyond the federal minimums;

WHEREAS, §5 of the Act (D.C. Official Code §31-3171.04(a)(7)) authorizes the Authority to implement procedures for certification, recertification, and decertification of QHPs;

WHEREAS, the Executive Board established a Benefit Standardization Workgroup, composed of health insurance carriers, small businesses, brokers, health care providers, benefit consultants, and consumer advocates, to make recommendations on additional plan offering and standardization options; and

WHEREAS, the Benefit Standardization Workgroup presented recommendations to the Board on March 7, 2013.

NOW, THEREFORE, BE IT RESOLVED that the Executive Board hereby approves the following consensus recommendations regarding additional certification standards for QHPs in the District of Columbia:

- (1) QHP issuers should be allowed to add benefits, defined as services eligible for claims submission and reimbursement, in excess of the Essential Health Benefit (EHB) benchmark.
- (2) QHP issuers must offer at least one bronze-level plan.

I HEREBY CERTIFY that the foregoing Resolution was adopted on this 13th day of March , 2013, by the Executive Board of the District of Columbia Health Benefit Exchange Authority in an open meeting.
