DC Health Link

Key Dates:

- ◇ **October 1, 2013**—Open Enrollment Begins (Individual and Small Group)
- ◇ **January 1, 2014**—Coverage can start (Individual & Small Group)
- ◇ **March 31, 2014**—Individual open enrollment ends.
- ◇ **Small Group open enrollment continues throughout the year.**

DEADLINE EXTENDED: Broker Directory

DC Health Link maintains a broker directory.

The only way to be included and make yourself available to potential new DC Health Link individuals and small businesses is to be registered to sell insurance on DC

Health Link.

DEADLINES: In order to be included in the broker directory for the October 1st DC Health Link opening, **registrations must be submitted no later than 5:00pm, September 11th, 2013.**

Registrations will continue after September 11th; however, approval and activation will be after October 1 and be based on date of submission.

To register, visit: <https://creator.zoho.com/katina.reynolds/dc-health-link-broker-registration#>

Let's Mix and Mingle!!!

Because you've asked...DC Health Link Assisters is looking for opportunities to bring DC Health Link Assisters and brokers together to build partnerships with one another.

Only those that have already taken the DC Health Link Policy training or are registered for an in-person class, will be

invited to join. So **REGISTER NOW**. The link to register for training is: <http://nahu.inreachce.com/Search?category=3d79fa40-c714-452a-a7a3-d849b42adf34>.

Once events are scheduled, details of events will be sent to the email address listed in your training registration form.

Thanks to Our Partners

We would like to say "THANK YOU" to the following agencies that have partnered with us to host education sessions with their Producers and clients this week.

- ◆ BenefitMall
- ◆ BB&T Insurance Services
- ◆ DC Chamber of Commerce
- ◆ National Association of Health Underwriters, NAHU

Broker Training - Updates

Brokers must complete a total of six hours of training in which 4 hours of CE credits will be provided for the District of Columbia. Training will consist of two parts: District specific policies and DC Health Link website training.

[DC Health Link Policy Training](#): Brokers must complete 4 hours of DC Health Link policy training that is specific to District laws and policies. Training is available both in person and online.
