## Migrating Groups— Key Points

- For all groups migrating from the health insurance companies onto DC Health Link please note that DC Health Link did not receive the employer premium contribution or dependent offerings from the health insurance companies. Please update this information within the employer's account.
- Invoices are mailed at the close of employee open enrollment and are available within the employer's account under the Billing Tab. The first month's premium payment is due by the end of the month preceding coverage. (Example: July 1 groups must pay invoice by June 30th)

## Dental Coverage for Migrating Groups

Groups migrating onto DC Health Link will not have dental benefits setup as part of their benefit offerings on DC Health Link but are able to add dental coverage as part of their benefit offerings on DC Health Link. If a migrating group has existing dental coverage, adding dental coverage on DC Health Link is not a renewal of this existing dental coverage, even if the group selects the same dental carrier and plan. Any groups that currently have dental coverage and add dental coverage as part of their benefit offerings on DC Health Link will need to contact their dental carrier to terminate their existing dental coverage.
