

ACA working group charges:

1. **Identify local policy options to strengthen the ACA protections assuming that the ACA is not repealed (or replaced).** The ongoing Administration actions are jeopardizing the stability of our health insurance marketplace, e.g. not enforcing the individual responsibility requirement, no commitment to reimburse cost sharing reductions. The focus here is affordability, consumer protections, and market stability.
2. **If the ACA is repealed: identify local policy options.** The focus primarily is private health insurance (small group and individual marketplace) – affordability, consumer protections, and market stability.
