### Eligibility Thresholds - 2017

Modified Adjusted Gross Income (MAGI) relative to the 2016 Federal Poverty Level (FPL) is used to determine eligibility for 2017 Advanced Premium Tax Credits (APTC), Vermont Premium Assistance (VPA), and cost-sharing reductions (CSR). MAGI relative to 2016 FPL will be used to determine eligibility for Medicaid and Dr. Dynasaur until April 2017 when 2017 FPL will be adopted.

### Basic Tables and Instructions

- [Income Thresholds for APTC/VPA/CSR - 2017](#)
- [Income Thresholds for Medicaid and Dr. Dynasaur - April 2016 through March 2017](#)

### Income Thresholds for APTC/VPA/CSR - 2017 (using 2016 FPL)

| VT Household Income Thresholds for Advanced Premium Tax Credits (APTC), Vermont Premium Assistance (VPA) and Cost-Sharing Reductions (CSR) |                               |                                |                                 |                                      |           |           |
|--|-------------------------------|--------------------------------|---------------------------------|--------------------------------------|-----------|-----------|
| Eligibility for 2017 Benefits Determined in Relation to 2016 Federal Poverty Level (FPL)   |                               |                                |                                 |                                      |           |           |
| Upper FPL% and <i>annual</i> income limits for:  | Silver 94 (94% AV) CSR Tier I | Silver 87 (87% AV) CSR Tier II | Silver 77 (77% AV) CSR Tier III | VPA & Silver 73 (73% AV) CSR Tier IV | APTC only |           |
| Household Size*  | 100% (for reference)          | 150%                           | 200%                            | 250%                                 | 300%      | 400%      |
| 1  | \$11,880                      | \$17,820                       | \$23,760                        | \$29,700                             | \$35,640  | \$47,520  |
| 2  | \$16,020                      | \$24,030                       | \$32,040                        | \$40,050                             | \$48,060  | \$64,080  |
| 3  | \$20,160                      | \$30,240                       | \$40,320                        | \$50,400                             | \$60,480  | \$80,640  |
| 4  | \$24,300                      | \$36,450                       | \$48,600                        | \$60,750                             | \$72,900  | \$97,200  |
| 5  | \$28,440                      | \$42,660                       | \$56,880                        | \$71,100                             | \$85,320  | \$113,760 |
| 6  | \$32,580                      | \$48,870                       | \$65,160                        | \$81,450                             | \$97,740  | \$130,320 |
| 7  | \$36,730                      | \$55,095                       | \$73,460                        | \$91,825                             | \$110,190 | \$146,920 |
| 8  | \$40,890                      | \$61,335                       | \$81,780                        | \$102,225                            | \$122,670 | \$163,560 |
| For each additional person, add  | \$4,160                       | \$6,240                        | \$8,320                         | \$10,400                             | \$12,480  | \$16,640  |

\* Household size = Tax filer + spouse (even if they live apart) + tax filer's tax dependents. Married couples must file taxes jointly to be eligible for APTC and CSR.
