DC Health Benefit Exchange Authority Wins Best Practices Award for IT Innovation

The DC Health Benefit Exchange Authority (DCHBX) won the Amazon Web Services (AWS) Best Practices Award for the second time in the City on a Cloud Innovation Challenge. DCHBX was selected as the winner in the large city category, just as in 2016.

The AWS City on a Cloud Innovation Challenge is a worldwide competition, and the Best Practices Award recognizes a local or regional government entity, or a public or private school or district, that has deployed an innovative solution to solve a government challenge.
