Online NAHU Training

We have been updating the policy and systems trainings to reflect recent policy changes as well as our recently launched enhanced user interface. These trainings will be available through NAHU shortly.

Dental Coverage for Small Businesses

Dental coverage is now available for employers offering medical coverage through DC Health Link. The new dental insurance products are available to new and renewing business customers with coverage beginning on or after June 1. Small businesses can choose one product, all products from an insurer, or any combination of products and insurers to make available to employees.
