NAHU Trainings

RSVP [here](#) for the June 2nd **in-person broker training** held from 12pm to 5pm at the DC Health Link offices.

We have updated the **online policy and systems trainings** to reflect recent policy changes as well as our recently launched enhanced user interface. Access them [here](#).

All new brokers and those approaching recertification must complete either of these trainings. Brokers must recertify every two years.

Dental for Small Businesses

Existing DC Health Link Groups

Groups are able to add dental benefits to their plan offerings during the initial and renewal applications. Employers must offer medical in order to offer dental coverage.

Groups Migrating to DC Health Link

If a small group is coming onto DC Health Link from their health insurance company, if they add dental coverage this is not a renewal of their current dental coverage. These small groups must terminate their existing dental coverage with the insurance company directly.
