2017 Health Plan Offerings

On September 28, 2016, the Department of Insurance, Securities, and Banking (DISB) approved rates for plan year 2017. We are working to load the new rates so we can send out renewal notices for groups with renewal dates of 1/1/2017 as soon as possible. It is likely, however, that renewal notices will not be sent out by October 1, but will instead be sent out shortly thereafter.

More information about the approved rates is included this <u>Press</u> <u>Release</u>.

Groups moving from Mid- or Large-Market to Small Market

When employers move from the mid- or large-group markets to the small group marketplace, these employers will join DC Health Link as an initial DC Health Link Group. The group's data will not be migrated from the insurance company. Employers should refer to our walkthrough guides on <u>dchealthlink.com/forms</u>, including <u>New Employers Creating an Account</u> and our <u>Deadlines</u>.

Groups Migrating to DC Health Link

More information is available on DC Health Link's website.

ENROLLMENT DEADLINES
