Contract Year Benefits

All groups obtaining coverage through DC Health Link are on a contract year schedule. If a group's benefits are currently based on the calendar year, their benefits will switch to being based on contract year at the start of their renewal plan year.

New Hire Enrollment Period

Employees that are newly hired will have 30 days from their date of hire or when they were added to the roster (whichever is later) to make their plan selection or waive coverage through their DC Health Link account. Our [walkthrough guide](#) available on dchealthlink.com/forms provides step by step instructions to newly hired employees.

Brokers and GAs are welcome to reach out to DC Health Link for assistance. To speak to a Small Business Contact Center Representative, please call 855-532-5465. Small Business Specialists are also available at employer.hbx@dc.gov.
